Assembly Guide

Branch

The new way of working you've been waiting for.

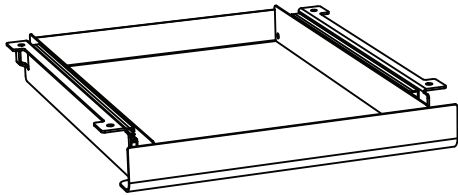

Scan here for a digital copy
of your assembly guide.

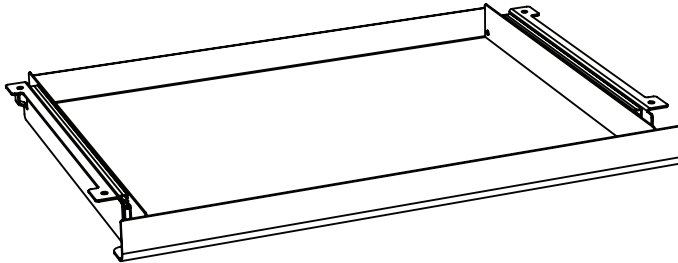

Caution

- Please read these instructions fully prior to assembly and verify that all components are present before you start the assembly process.
- If any parts are missing, broken, damaged, or worn, stop use of the product until factory authorized replacement parts are received.
- Pay attention to sharp corners and gently open and close the drawers to avoid personal injury.
- Do not use this product other than for its intended purpose.
- Every six months, please make sure all bolts, screws, and knobs are securely tightened to ensure stability.
- Failure to follow these warnings could result in serious injury or death and void any warranty.
- Keep this manual for future reference.

Components

Small Drawer
for 36" Duo Standing Desk

Large Drawer
for 48" Duo Standing Desk

Included Hardware

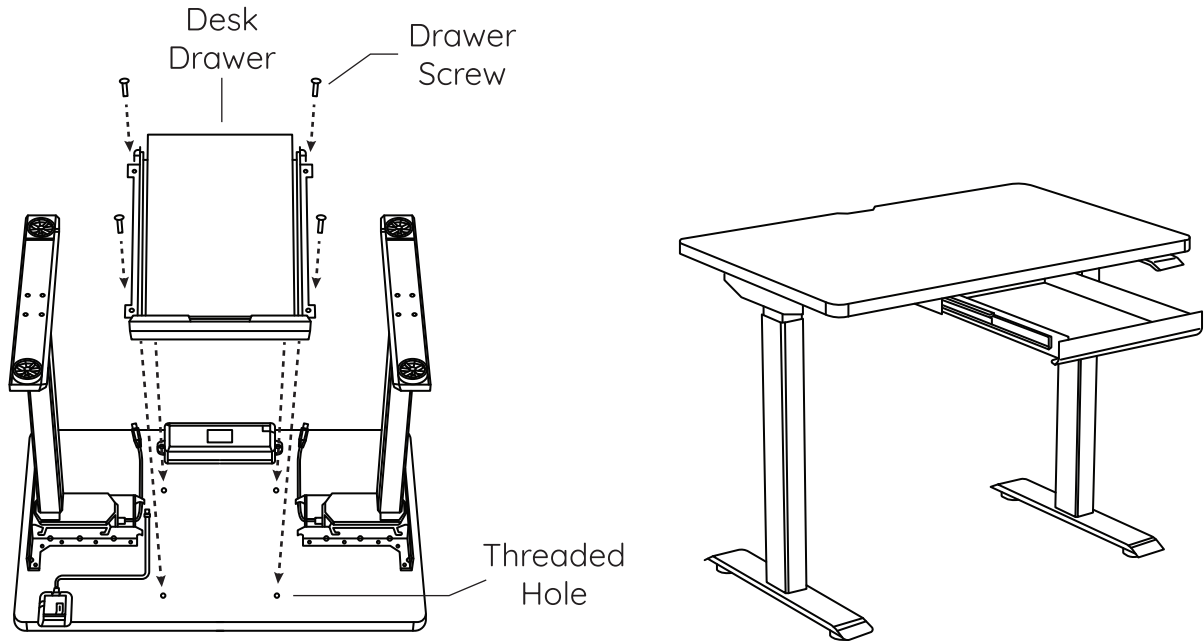

Drawer Screws
x4

Allen Wrench
4mm
x1

1

Place your desk upside-down on a clean flat surface. Position the **Desk Drawer** on the desktop so that the drawer opens towards the front of the desk. Align the mounting holes on the Drawer to the **Threaded Holes** in the Desktop. Tightly secure the **Drawer** with the **Drawer Screws** (x4) using the **4mm Allen Wrench**. With a friend, carefully flip your desk right-side up.

If you ever need to release the drawer box from the slides; fully extend the drawer and both press the release lever and continue to pull the drawer out until it releases. To re-install, fully extend the drawer slides, align and engage the drawer and push in until fully closed, and you hear a “click” from each drawer slide.
